

SCHOOL HEALTH NURSE

Gracemont Public Schools does not have a nurse on staff. The school receives service from several area medical resources. The Caddo County Health Department, located within 9 miles of the school, is open each weekday. Within a few minutes of the school is located a hospital and doctors' offices. Anadarko ambulance service is located 9 miles from the school. Health services are also available through the Caddo Indian Tribe Community Health Representative. CHR is available for the Native American students in our school.
