

**OPEN TRANSFER POLICY
TRANSFERS AND ASSIGNMENTS**

Open Transfers previously granted by the school board will remain in effect unless the board of education takes action to deny a future year’s attendance based upon, discipline, or attendance as addressed within this policy.

Applications may be obtained from the superintendent and shall be filed with the office of the superintendent during regular business hours of the school district beginning April 1 and ending no later than May 31 in the school year preceding the school year for which the transfer is desired. For purposes of the Education Open Transfer Act, the term “parent” means the parent of the student or person having custody of the student or a competent student having reached the age of majority.

However, the vote to approve or to deny the application for transfer shall take place in open session. The district shall not accept or deny a transfer based on ethnicity, national origin, gender, income level, disabling condition, proficiency in the English language, measure of achievement, aptitude, or athletic ability. Discipline records of students transferring to this school will be requested as part of the student’s records. It shall be within the discretion of the board of education, based upon the student’s records, as to whether a transfer will be approved or denied. As a general rule, students with poor discipline or attendance records or those deemed “not in good standing” at their former school will not be approved for transfer to this district.
5. Adjudication as a Juvenile Sex Offender.

On or before September 1, the superintendent shall file a copy of a list of students granted transfer showing the resident school district and grade level of all students granted transfer with the State Board of Education and each resident school district.

The district may also refuse to accept the nonresident child if the district determines the child is not ready for the district's early childhood education program.

A child whose family relocates from the school district may continue attendance to the end of the current school year provided the student began the school year in the school district.

Students transferring to the district between school years shall be admitted to the next higher grade upon meeting entrance requirements and showing evidence of having completed the preceding grade. Students transferring from private, non-accredited schools shall be tested and placed accordingly.

Any student residing in a school district that does not offer the grade that such child is entitled to pursue shall be entitled to be transferred to any school district inside or outside of the transportation area in which such student resides which offers the grade which he is entitled to pursue. Such transfer shall be automatically approved.

Except for a child in the custody of the Department of Human Services in foster care, no student shall be permitted an open transfer more than once in any school year.

Any brother or sister of such transferred student may apply to attend the same said school system.

Such notice shall be made by July 15 prior to the school year for which the cancellation is applicable.
