Dear Gracemont School families:

Gratitude is a strong feeling of appreciation to someone or something for what the person has done to help you. That is a perfect reflection of what I have experienced during my short time as Superintendent at Gracemont Public Schools. Every day, I am moved and inspired by what I see. Every day, I marvel at the incredible devotion of our staff and their unique ability to teach and inspire our students. Every day, I celebrate the amazing support of our community.

I believe the success of our school is built on a foundation of mutual respect and inclusiveness. Every day, dedicated teachers and staff and community, nurture a culture of fairness, love and caring, all focused on the goal of providing a safe learning environment for our students and families. Gracemont Schools is committed to continuing this focus and supporting our families during the school day and beyond.

I am thankful that Gracemont Schools continues to strive for excellence in each and every classroom, to grow stronger by our diversity and to cultivate an open and positive school climate.

During this time of Thanksgiving, I want to share my gratitude and thank you for being such an important part of our student's lives. This is a wonderful time of the year to get together with friends and family to celebrate and be thankful for all the wonderful people in our lives. On behalf of the Gracemont Public Schools staff, I would like to thank you for your continued support and wish you all a safe and happy holiday. We will see everyone back here on November 28.

Respectfully,

Cary Myers, Superintendent
